**Overview:** My Mass Kit is the flagship product in the WeeBelievers™ emerging Catholic toy line. This innovative, educational and entertaining soft-sculpture toy is aimed at play for young boys ages 3-11. Children will enjoy “playing Mass” using this kit as a part of their play-time activities at home or at school and in environments such as a church sanctuary where busy-child activity requires solemn attendance.

*My Mass Kit* includes most items used during Holy Mass to aid in a child’s first-hand interaction with the sacramental pieces used by the priest in the sacred liturgy. Also included is an ecclesial-approved instruction booklet to educate and foster faith exploration between adults and children. *My Mass Kit* is an excellent tool for catechists and faith-formation teachers, as well as parents, grandparents and godparents, anyone who interacts in faith development during early childhood development.
